*Buccinum pugio* Gmelin 1791, Syst. Nat., ed. p. 1305 (ref.  
 Argenville, pl. 11, fig. Q). The figure cited is indetermin-  
 able and in shape resembles *T. felina* Dillwyn, in other  
 ways it looks like *H. parva* Baird in Brencley. 1787
